

FPM Metals

Warranty: FPM Metals warrants the workmanship of the polishing process to be free from defects at the time of purchase. The Manufacturer makes no expressed or implied warranties including but not limited to merchantability or fitness for use. The Manufacturer shall not be liable for any special, incidental or consequential damages resulting to or from the use of its products.

Panel care: Aluminum engine turned panels should be cleaned and clear coated with a high quality automotive clear finish in accordance with manufacturers' directions to prevent accidental scratching or unwanted oxidation if so desired. Bare aluminum can be treated with light oils or wax. Stainless steel panels should be oiled periodically with lemon oil or mineral oil based products to prevent oxidation. We recommend 3M brand Stainless steel polish and cleaner. Never apply or attempt to clean panels with any abrasive cleaner or chemical polish. Poly laminated materials should be cleaned with soft damp cloth.

Return Policy: Stock items purchase may be returned to FPM Inc. for a period of 30 days from date of purchase. Return merchandise must be in new condition and must include all product related packaging materials. We reserve the right to refuse damaged or incomplete items for return. Refunds or credits will be issued upon receipt of returned items only. Custom produced items are not refundable all sales final.
